

Biden

Your policies directly caused the murder of more than 18,000 Palestinians (including 9,000 women and children) and the destruction of the Gaza Strip.

CEASEFIRE NOW, END THE VIOLENCE!

- 1200 Israelis were killed on Oct. 7, 2023.
- More than 18,000 Palestinians have been killed since then. Among them are 9,000 women and children. Others are under the rubble with around 7,000 Palestinians unaccounted for.
- On Oct. 7th, Israeli hostages numbered 240, and Palestinian prisoners numbered 11,000.
- In just 7 weeks, more than 1.5 million Palestinians in Gaza have been forced out of their homes and 100,000 residences have been destroyed.
- Israel's occupation of the West Bank and the Gaza Strip, including East Jerusalem, must stop.
